

Crawl & Beg

(for dwindling artist / musician / designer studio space in Vancouver)

Municipal Election ennui High Tea

Saturday the 19th of November, 2011 * 4 - 6 p.m.
321 Railway Street at Gore Street
Studio 108 is at the second door inside the lobby.

The building is open for the Crawl and there are several interesting studios participating. This event is not part of the Crawl and no artistic expressions will be presented -- other than those of tea and conversations. Opinions expressed may well be critical. Come to chat, gush, grumble and conspire about and re-imagine artist studio space in Vancouver.

Pots of green, black and mint tea will be served. Contributions of biscuits, bannock, baked goods, chaat, snacks, fruit or juice would be excellent but are not necessary.
